—Marcus Aurelius*"If you open Ix Chel Wisdom a crack, you will hear the whisper of women sighing and singing. If you dare to read it, you will be swept up in an astonishing inner adventure that will empower you deeply. The Wise Woman Way spirals in these messages. The words of the Grandmother's song echo in Shonagh's words. The cloak of the Ancients is being re woven with threads such as these. Join hands with the circle of women!"*— Susun S. Weed, author of *New Menopausal Years the Wise Woman Way*

Author, spiritual guide, healer, Shonagh Home works with both individuals and groups to foster new paradigms and awaken self-healing. Drawing on her extensive work with master teachers and shamans, Shonagh offers a variety of healing modalities and classes that include energy healing, shamanic work and nutritional counseling. Prepare to shift deeply when you work with her.

Shonagh's book, *Ix Chel Wisdom*, is a collection of transmissions from Ix Chel, the Mayan Cosmic Mother. It is a love letter to women, filled with mystery teachings about the magic of the body and our ability to engage the technology of nature.**Shonagh Home**To make an appointment, contact Shonagh at
