How to Find Your Way Around Campus

1. Determine your building abbreviation:

- CC College Center Building
- IB Instructional Building
- LB Library
- AS Arts & Sciences Building
- HS Health Sciences & Student Resources Building
- WC Wellness Center
- ED Dr. Peter C. Ku Education Center
- CH Childcare
- OC Opportunity Center

2. Refer to the map to find which building your classroom will be located in. Next, look at the four numbers. The first number is the level. (There are three levels.) The second number is the avenue. (There are six avenues.) The third and fourth numbers are room

numbers. The lowest number on campus is "01" at the north end of the campus. The highest number is "61" at the south end of campus. If a letter follows the room number, it indicates that the room is an inside classroom, between avenues.
