Dear Scholarship Applicant,

Thank you for your interest in the 2006 Women of Wisdom Conference, February 23-26. We are pleased to be able to offer scholarships to those that need assistance. Scholarship money is made available through fundraising efforts such as the Fall Festival and support from the Women of Wisdom community. Please take the time to answer a few questions on the enclosed application regarding your needs. Also, if you are able, please consider doing some work exchange toward this scholarship. We are sending you a work exchange application as well.

Scholarships are based solely on financial need and will be filled on a first come, first served basis. We encourage you to sign up as early as possible since the number of scholarships is limited. Submission of an application does not guarantee a scholarship award.

Please return the following no later than January 15<sup>th</sup>: your registration form with your workshop choices; your scholarship application indicating the amount you are requesting; and, if you can do work exchange, the work exchange application. In addition to your forms, please send in whatever payment you are able to make.

We are sometimes unable to accommodate all scholarship requests for a workshop, please be sure to indicate the priority order of the workshops you are requesting on your registration form. We will do all we can to enable you to attend your higher priority workshops. You will be notified no later than February 1<sup>st</sup> as to the status of your application. In the event that a scholarship is not awarded to you, you will be responsible for the balance of your registration, or we will return any payment deposit you have made.

Again, thank you for your interest in attending the Women of Wisdom Conference. If you have any questions or comments, please feel free to call the office at (206) 782-3363 or email me at [wisdomvolunteer@earthlink.net](mailto:wisdomvolunteer@earthlink.net).

Blessings,

Coral Miller
